

Dear Applicant

Greetings!

Vellore Institute of Technology's (VIT) **M.Tech** and **MCA** admissions will be based on Bachelor's (Under Graduate) degree performance, **instead of entrance exam(VITMEE-2021)** this year due to the present Covid-19 pandemic scenario.

GATE qualified candidates will be accorded priority in admissions. Non GATE candidates will be admitted based on their academic records (upto pre-final year performance). The admission counselling (choice preference of programme and campus) will be conducted through online.

The online classes will start during the second week of **August 2021**.

Applicants can get recent updates though VIT website: www.vit.ac.in & <https://vit.ac.in/all-courses/pg>.

Best wishes
