

VIT-AP inks pact with US-based research labs

PNS ■ VIJAYAWADA

VIT-AP School of Business has entered an MoU with Alphabet and Topright Research Labs held on the University campus on Wednesday.

Dr SV Kota Reddy Vice-Chancellor VIT-AP University after signing the MoU said that Alphabet is a US company offering products and services to Banks and Financial Services organisations.

He said that FinTech is changing the business models and financial models in a way that was never seen before.

There is a huge demand for qualified FinTech professionals across the globe, Dr Reddy said.
