

**VIT AP SCHOOL OF LAW**  
**TWO-WEEK BRIDGE COURSE**  
**19th August 2022 – 3rd September 2022**

One of the biggest choices and decisions students makes in their life is the decision to go to a law school. It is the life changing decisions of a student who aspire to be a change maker and achiever. You have selected the VIT AP School of Law (VSL) which is your career partner and to realise your goals and dreams. We at VSL welcome you and congratulates the batch of 2022-27 for making the best choice. With years of academic experience, VSL understands that in the beginning of the law school everything feels like the hardest part, starting with what's important and what isn't to what to focus on and what to skip. We at VSL believes that it gets easier only with thorough reading, making notes, thinking like a lawyer, distilling the legal material, spotting the issues and so on. Law School certainly adds a completely different experience and understanding on plethora of aspects. The more you understand the better the choices you will be able to make during your law school journey.

However, the VSL notices the gap between curriculum prescribed by the Bar Council of India and Legal Education Rules and programmes offered to 12th/Intermediate studies run by various boards across the country. The VSL aims at familiarizing and orienting batch of 2022-27 to the legal profession and for the same introduces the two week bridge course in virtual mode. This would greatly facilitate you to have a safe sail at law school and realise your goals with much ease and informed decisions.
