

NATIONAL SCIENCE DAY-2023

(28th February, 2023)

Quiz Competition

School of Advanced Science (SAS), VIT-AP University is celebrating “**National Science Day-2023**”, on **28th February 2023** to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28th February 1928. The theme of National Science Day for the year 2023 is “**Global Science for Global Wellbeing**”. These National Science Day-2023 celebrations are intended to motivate students to pursue careers in science and technology advancements.

As part of this event, a quiz competition is being organized. This event is meant only for UG, and PG level students. The quiz competition will be conducted both in online and physical mode in parallel.

Physical Mode:

Date & Time: 28-02-2023 & 2-3 PM

Venue: Central Block Class room

Online Mode:

Date & Time: 28-02-2023 & 2-3 PM (The link for quiz competition in online mode will be shared later with the participants by their registered email.)

Eligibility:

- (UG+PG) group: Students pursuing UG/PG degrees in any science/engineering discipline enrolled in any Indian universities/colleges

Guidelines:

- All students must register at this link:
- One time registration fee is 50/- for each student.
- Questions in the quiz will be from UG level Physics, Chemistry and Mathematics
