

NATIONAL SCIENCE DAY-2023

(28th February, 2023)

Poster presentation Competition

School of Advanced Science (SAS), VIT-AP University is celebrating “**National Science Day-2023**”, on 28th February 2023 to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28th February 1928. The theme of National Science Day for the year 2023 is “**Global Science for Global Wellbeing**”. These National Science Day-2023 celebrations is intended to motivate students to pursue career in science and technology advancements.

As part of this event, a poster presentation competition is being held. This event seeks to display innovative scientific ideas of young students across the country at the 10+2, UG, and PG levels and to allow information sharing and seamless interactions in order to instil science learning enthusiasm and interest in their young minds.

With this motivation, students who are in 10+2, UG, and PG levels are invited to showcase their innovative scientific ideas through posters in National Science Day-2023 celebrations at VIT-AP University. A panel of juries will select the best three poster presentation that have been displayed and those participants will be recognized with a prize.

Theme of the Program: **INNOVATION IN SCIENCE**

Physical Mode:

Poster Presentation Schedule: **11.30am – 1.00 pm, 28th February 2023.**

Venue: **Einstein Hall, AB-1, VIT-AP University.**

Online Mode: 11.30 am - 1.00 pm, 28th February 2023. (The link will be shared to the registered participants)

Poster: The Poster should be prepared in portrait format and no longer than A1 size.

Eligibility:

- (10+2) group: Students enrolled in intermediate (10+2) level from any schools and junior colleges
- (UG+PG) group: Students pursuing UG/PG degrees in any/science/engineering discipline enrolled in any Indian universities/colleges

Guidelines:

- All students must register at this link:
- Each participating team must have no more than two members.
- Two students participating from any school/college/university are required to register on this link: google form link-1 (main registration), and then they must register their team and team members for the poster competition using this link: google form link-2 (just to register the names of the participating team members).
- One time registration fee is 50/- for each student.

- Poster must be prepared on the theme “**INNOVATION IN SCIENCE**”.
- Poster must be prepared in the given format.
