

EVENT NAME: MATH QUIZ

Online Event Description: -

Round -1

Fastest First

Students join on zoom, it's an open contest where questions will be given on Quizizz platform. The one who answers maximum of answers qualifies for next round according to the leader board. displayed onscreen.

Round- 2

Mystery Buzzer

Simple mental ability questions will be asked to individuals. The one who answers first as many right answers will be the winner. The platform will be Quizizz. All the students will join on zoom.

Round – 3

You or Me

We will shortlist some top performer students from both the previous Rounds and randomly make the groups of 2 members each. In which the two members need to compete with each other. The questions asked by the 1st person need to be answered by the 2nd person and vice versa. The question needs to be relevant to math only. Breakout rooms will be made in zoom and each volunteer will join the breakout room to keep the track of the two members.
