

EVENT

Sketch Your Thought (Online)

Description: In this event, the participants need to sketch a diagram containing a unique thought on **Real-world application of Artificial Intelligence (AI) and/or Machine Learning (ML)**.

Participants should use the tools (viz. pencil, colours etc.) which they need to bring themselves.

The event will take place in two rounds.

Round 1 is the screening of sketch and/or drawing.

Google Form Link for round 1: <https://forms.gle/ZTDnApQNbHtEm2rK9>

Round 2 is the final presentation and/or interaction (Best 10 sketches or depending on the round 1 the number of sketches will be selected for presentation)

Duration: Round 2 (1 hour)

Target audience: Intermediate (11th or 12th)

Coordinator: Dr. P. Karunakar, karunakar.perumandla@vitap.ac.in
