5th International Conference on Advances in Distributed Computing and Machine Learning (ICADCML)-2024
Jan 05-06, 2024
(Hybrid Mode)

About ICADCML-2024

The 5th International Conference on Advances in Distributed Computing and Machine Learning (ICADCML)-2024 (SCOPUS Indexed) will be organized by School of Electronics and Engineering, VIT-AP University, India in collaboration with College of Engineering, San Diego State University, USA during Jan 05-06, 2024. Since 2020, ICADCML conference series is a global platform for computer science researchers to exchange research results and ideas on the foundations and applications of Distributed Computing and Machine Learning. These technologies are increasingly relevant to individuals and organizations who engage in the production, processing and dissemination of knowledge. Prospective authors are invited to submit manuscripts reporting original unpublished research and recent developments in the topics related to the conference.

Webpage : **https://www.icadcml.in/**

## Last date for paper submission : September 15, 2023

Various Tracks

Track-1: Distributed Computing

- Distributed Algorithms
- Concurrency and Parallelism
- System Specification and Verification: Formal Methods
- Secure Computing and Communication
- Cloud and P2P Systems
- Cyber Physical Systems
- Green Computing
- Fog Computing
- Edge Computing
- Internet of Things Applications and Services
- Blockchain

Track-2: Machine Learning

- Machine Learning
- Deep Learning
- Supervised and Unsupervised Learning
- Multi-Agent Learning
- Ensemble Methods
- Reinforcement Learning
- Multi-Strategy Learning
- Evolution-Based Methods
- Learning in Integrated Architectures
- Data Mining
- Information Retrieval
- Web Mining
- Game Playing
- Problem Solving and Planning
- Natural Language Processing
- Robotics and Control
- Design and Diagnosis
- Vision and Speech Perception
- Artificial Intelligence
- eXplainable Artificial Intelligence
- Recommender Systems
- Optimization Techniques

Important Dates

Submission of Full Paper : **Sept 15, 2023**
Notification of Acceptance : **Nov 1, 2023 onwards**
Early bird Registration: **November 10, 2023**
Submission of Camera Ready Papers : **Nov 30, 2023**
Author's Registration Deadline : **Nov 30, 2023**
Conference Dates : **Jan 05-06, 2024**

Manuscript Submission and Publication Process

Full papers should describe novel research and recent developments in the topics related to the conference and require 10-12 (Not less than 9 pages) limited pages including figures, evaluation results, references and appendices in Springer format. All submitted papers must be unpublished and not considered elsewhere for publication and should be written in English and formatted according to standard Springer camera-ready format.
Format and author guidelines are available:

https://www.springer.com/gp/computer-science/lncs/conference-proceedings-guidelines

Prospective authors are invited to submit via Microsoft's Conference Management Toolkit (CMT). Paper Submission Link: **https://cmt3.research.microsoft.com/ICADCML2024**

Registration Fee Includes

- Conference Processing Fee
- E-proceeding/ Souvenir
- Participation in all Technical Sessions
- Conference Kit (Only for the registered authors who will present physically)
- Certificates (Only for the registered/presenting authors)

Registration

Category	Early Bird (Before November 10, 2023)		Regular (From November 11, 2023)	
	Indian Delegates	Foreign Delegates	Indian Delegates	Foreign Delegates
Category	INR	US$	INR	US$
Industry	7000	100	8000	120
Academician	6000	80	7000	100
Research Scholars	5000	70	6000	90
UG/PG	4000	50	5000	60

- One registration includes one-oral presentation only.

Publication

All accepted and presented papers of ICADCML 2024 will be published in Springer "Lecture Notes in Networks and Systems (LNNS)" Book series [Confirmed]. The books of this series are indexed by SCOPUS, INSPEC, WTI Frankfurt eG, zbMATH, SCImago. All books published in the series are submitted for consideration in the Web of Science. Extended versions of selected papers presented in ICADCML 2024 shall be invited and recommended by the conference for submission to the following SCI, SCOPUS, DBLP, ACM Digital Library indexed journals:

- **International Journal of Computational Science and Engineering [IJCSE] (Inderscience Publishers) [IF (Clarivate 2023) 2.0]**
- **International Journal of Embedded Systems [IJES] (Inderscience Publishers) [IF (Clarivate 2023) 1.2]**
- **Connection Science (Taylor & Francis)**
